Description of Coach business and expertise (150 – 200 words)

I am currently acting as the non-formal education, communication and visibility expert on the preparation and implantation of transnational and multi-sectoral EU projects. I am an experienced trainer and coach working with groups, individuals, and SMEs in sales, presentation, customer service, personal and work relationships, well being, leadership, and personal and business growth. Working together to accelerate the growth of the company, enhance performance and support workplace well being. **My goal is to help you reach your goals.**

In the last 9 years I have also worked as a business communication trainer/coach identifying learning and communication needs and developing curriculums, ESL trainer, and radio host where I was part of a creative team developing and airing our original educational program.

I have focused my activities within the company on **my biggest strengths** in order to achieve the most impact:

- Training our team of coaches,
- Coaching SME business growth, better performance and workplace well being,
- Plan, design and implementation of formal and non – formal educational programs **to help accelerate the growth of SMEs,**
- Help top executives to prepare for presentations, speeches and debates
- Assist in the development and implementation of EU projects,
- Facilitate communication and accountability within projects.
